The difficult way to
DRAW YOUR OWN GIRAFFE

Page 1 of 2

If the other giraffe is too easy for you, try and draw this one!

1. First we need our shape. Remember to do these lines softly in pencil so you can rub them out later.

2. Now let's draw around the shapes to get the outline of our giraffe. Take your time, there is no rush!
Well done, You’ve drawn a giraffe. Doesn’t he look happy? Now colour him in.

A giraffe isn’t a giraffe without his spots. Let’s fill in the details and don’t forget the ossicones!
